**Chicago North Suburbs Convention & Visitors Bureau
Website Wins Interactive Award of Distinction.**

The Chicago North Suburbs Convention & Visitors Bureau's newly designed website is only four months old and already making waves throughout the internet. The website was entered into the 17th Annual Communicator Awards and was selected an Award of Distinction. "This is exciting news for the Bureau." stated Brent Edwards, Executive Director for the Bureau. "It is nice to receive accolades from a project that means so much to us and to the communities we represent." continued Edwards.

The Communicator Awards is the leading international awards program honoring creative excellence for communication professionals. Founded by communication professionals over a decade ago, The Communicator Awards is an annual competition honoring the best in advertising, corporate communications, public relations and identity work for print, video, interactive and audio. This year's Communicator Awards received thousands of entries from companies and agencies of all sizes, making it one of the largest awards of its kind in the world.

The new website, designed by Evoke Idea Group, Inc., has seen the page views increase over 113% year-to-date over last year. "The response to the new design has been great" stated Edwards. "The municipalities we represent and the partners we serve were all very excited to see the change and now we have a little hardware to showcase, it's a lot of fun." The new website is full of extras that the previous site did not have. Some of the exciting new features include an extensive photo archive library, Facebook and Twitter links, videos, interactive Getaway Guide, and a new search tool.

The Chicago North Suburbs Convention and Visitors Bureau serves three communities including Prospect Heights, Mount Prospect, and Des Plaines. For more information please call 800-955-7259 or visit www.chicagonorthsuburbs.com
